AMENDMENT

Commissioner for Patents:

In response to the Office Action dated December 10, 2002, please amend the application as follows:

In the Claims:

Please amend the claims as shown in the attached "Version With Markings to Show Changes Made." The following is meant to be substantively in accord with changes shown in the attached "Version With Markings to Show Changes Made."

- 1. (Amended) An electric motor cooling assembly, comprising:
- a housing;
- a stator disposed within the housing, the stator operable for generating a magnetic field;
- a rotor disposed within the housing, the rotor operable for receiving the magnetic field and generating a torque;
 - a winding operatively connected to the stator;
